Seminar Assignment & Exercise....

Soul winning is a sincere effort with Jesus in control. It begins and ends in prayer. We're led by the Holy Spirit following a simple process that HE gave us to help the lost get saved. Here's what we do & how it works....

You Ask Someone: "Have you ever been saved?"

Person says: "No." or "I'm not sure, etc." You say:

"OK. Let's take care of it now." or "Let's make double sure you're saved." "Please say this prayer after me.

Lord Jesus, I'm a lost sinner. Please forgive my sins. Please save my soul. Please come into my heart and live forever. Now, Lord Jesus, Please help me live for you each day. Thank you Lord Jesus. Amen." Now you're saved forever."
